

**DO  
NOT  
SPRAY**

**PESTICIDE  
FREE ZONE**

**Pesticide Exposure has been linked to liver,  
lung and kidney damage, lowered fertility,  
sexual dysfunction, sterility, paralysis, brain  
hemorrhages, heart problems, a variety of  
cancers, coma and neuro-psychiatric disorders.  
We choose to protect our health!**

Print the above sign, trim and laminate it. Cut 2 parallel slits above DO and below Pesticide Free Zone. Insert stick through the loops behind and position it on your lawn. Spread the Pesticide Dangers Message!
